

**DENTAL LINK SERVICES ANNOUNCES NEW OFFICE
MANAGER**

Corporate
Communications
(972) 539-5465

FLOWER MOUND, TX. June 26, 2008 – Dental Link Services, LLC, a privately held woman owned small business, announces the appointment of Ms. Angie Harned to the position of Office Manager. She brings a wealth of business administration and public relations knowledge to this role, backed by many years of experience and a Bachelor of Science in Business Management.

Ms. Harned shares the same goals, ethics and customer centric philosophies as Dental Link Services. She never loses sight of the fact that customers have many choices in selecting a staffing partner, and feels both grateful and honored to assist our clients in achieving their goals and exceeding their staffing expectations.

Dental Link Services carefully examines all elements of a prospective employee's background, work history, and potential in order find that "perfect match" for each customer staffing need.

Ms. Harned is excited to be working with the team at Dental Link Services. "I have really enjoyed the interactions with all of our clients and applicants. My new role provides me with even greater opportunity to use my skills in communication to help our customers find solutions to their staffing needs" said Ms. Harned. She also adds, "Following the spirit of quality, and truly personal needs based services set forth by DLS, I am proud to assist and represent our partners and customers."

Angie Harned looks forward to meeting and working together with our customers and prospective employees. To contact her or to find out more about Dental Link Services, please call us at (972) 539-5465 or visit us on the web at www.dentalinkservices.com.
